HOLIDAY SENSOR SHIPPING SCHEDULE

With several major US holidays approaching, we wanted to let you know Pinnacle's shipping schedule for **biosensors, oxygen and carbon fiber electrode, and carbon fiber enzyme modified, sensors** this holiday season.

There will be NO sensor shipments during these time periods:

- Tuesday, November 21 to Thursday, November 30
- Thursday, December 21 to Thursday, January 11

November:

All sensor orders need to be placed by Friday, November 10th for shipments required on or before Monday, November 20th. **Any sensor orders placed after November 10th will ship on or after Friday, December 1st, when we resume standard shipping.**

December/January:

All sensor orders need to be placed by Tuesday, December 12th for shipments required on or before Wednesday, December 20th. **Any sensor orders placed after December 12th will ship on or after Friday, January 12th, when we resume standard shipping.**

Please note that the above shipping and ordering information is for biosensor, oxygen and carbon fiber sensor orders, exclusively.

Thank you and Happy Holidays!
