OCTOBER 2024

HOLIDAY SENSOR SHIPPING SCHEDULE

With several major US holidays approaching, we wanted to let you know Pinnacle's shipping schedule for all **biosensors, oxygen, and carbon fiber electrodes** this holiday season.

There will be NO sensor shipments during these time periods:

- Monday, November 25 to Thursday, December 5
- Monday, December 23 to Friday, January 10

November:

All sensor orders need to be placed by Thursday, November 14th for shipments required on or before Friday, November 22nd. **Any sensor orders placed after November 14th will ship on or after Friday, December 6th, when we resume standard shipping.**

December/January:

All sensor orders need to be placed by Thursday, December 12th for shipments required on or before Friday, December 20th. **Any sensor orders placed after December 12th will ship on or after Monday, January 13th, when we resume standard shipping.**

Please note that the above shipping and ordering information is for biosensor, oxygen and carbon fiber sensor orders, exclusively.

Thank you and Happy Holidays!
